would you stand and worship God with me even though we're not singing you can dance
or worship or speak the words sometimes I think what will people say of me when I'm only
just a memory when I'm home where my soul belongs was I love when no one else would
show up was I Jesus to the least of us was my worship more than just a song I want to live
like that and give it all I have so that everything I say in you points to you if love is who I
am then this is where I stand recklessly abandoned never holding back

I want to live like that I want to live like that am I proof that you are who you say you are
that grace can really change a heart do I live like your love is true people pass even if they
don't know my name is there evidence that I've been changed when they see me do they
see you I want to live like that and give it all I have so that everything I say and do points
to you if love is who I am then this is where I stand recklessly abandoned never holding
back

[60 : 05] I want to live like that I want to live like that I want to show the world the love you gave for me I'm longing for the world to know the glory of the King I want to live like that and give it all I have so that everything I say and do points to you if love is who I am then this is where I'll stand recklessly abandoned never holding back I want to live like that

I want to live like that I want to live like that I want to live like that I want to live like that how about you there are only well let me put it this way it's amazing how you can walk from here to there and lose your strain of thought it is never too late it is never too late to do just a few things as long as you have breath within you it is never too late to say yes to Jesus it is never too late to say I love you it is never too late to say I'm sorry and it is never too late to say I forgive you it is never too late to say I want to live like that may we live in the peace that passes understanding together
